Modernisation of De Koperwiek shopping centre successful!

that is the

Akor guarantee.

akor.nl

Location

Capelle aan den IJssel

Street

Rivierweg 174

Description

We carried out phase 4 of the renovation of the existing De Koperwiek shopping centre. This phase consisted of the partial renewal of the outer wall, the stripping of the existing shops, the demolition and renewal of the ground floor and the foundation, the hull installation of a new shop layout and the creation of a new 'fresh street'.
