

Retail **Billstedt Center**

akor.nl

that is the

Akor guarantee.

Location

Hamburg

Street

Möllner Landstraße 3

Description

In this shopping centre, we renovated the former Karstadt. After three months of demolition work, we were able to reconstruct the inner walls and lift shafts. At long last, the project resulted in a fine selection of fashion retailers such as PRIMARK, Woolworth and Cubus, and a Müller pharmacy.
